| If there was a biography about you, what would the title be?

Actually I'm not willing to answer this prompt. Instead I would like to wish you all happy valentine's day 🍷...

Girl, boy, men, women... apart from religion, caste, resism, discrimination... every human, every soul full life might be transgender, disabled or anybody even... everybody deserves LOVE...

Have someone with whom you can't feel insecure... It's a fabulous feeling "being in love and being loved unconsciously" is a blessing...

People might fail in a relationship, their relationship might be short or long, but those moments being that phase should be cherished...

It's my 5th velentines day with my man ...still he is being surprised material to me 😄...
How could he love me for this many years!

Happy valentine's day da paiyaaa♥️💞♥️...

Happy valentine's day all...♥️😊♥️

If there was a biography about you, what would the title be?

"The life of mine"...♥️
